

A CLOSER LOOK: THE MEANING UNDERNEATH WOMEN'S CAUCUS FOR ART/NEW HAMPSHIRE

Jaffrey Civic Center Exhibition Dates: Friday, Oct 16 to Friday, Nov 13, 2020

WCA/NH is the New Hampshire Chapter of the Women's Caucus for Art. We are part of a national organization that promotes the advancement of women in the visual arts through educational programs, networking and exhibition opportunities. The New Hampshire Chapter is a thriving organization with about 100 members. WCA/NH offers several exhibitions a year, bi-annual members' meetings and more.

Artists have illustrated their in-depth perceptions of a subject, feeling or impression in a way that encourages the viewer to consider all aspects of the art. What will a second look into the searching for an understanding of the topic reveal? Could the facets found in the specifics of the art take the viewer down a path through a magical door to someplace special? How we explore new ideas

and materials can bring more detailed emotions and reactions of all varieties to the surface.
